SPONSORSHIP INFORMATION

Spark, Nurture, Inform

Aerospace New Zealand Inc.

About Us

Aerospace
New Zealand

Aotearoa Aerospace Academy - an educational programme inspiring the next generation of Astronomers, Engineers and Space Scientists.

The Next Generation Pathway

Spark

Sparking curiosity in the next generation in all things Aerospace and STEM.

Nurture

Inclusively empowering, guiding and encouraging Aotearoa's young people, to pursue their aerospace dreams!

Inform

Providing education and accessible resources for Aerospace and STEM learning for all.

In addition to in-person workshops and school visits, we also offer Aerospace Career Pathways Event Recordings, with Aerospace Career Case Studies and Career Pathways to Aerospace resources coming soon.

For the younger rocket scientists among us we offer colouring sheets, YouTube stories and an Activity Workbook, all on our website (www.aerospace.org.nz/aaa).
